

Suffolk and North East Essex Diabetic Eye Screening Programme

Diabetes is the second largest cause of preventable blindness in adults, so don't lose sight of your screening appointment and miss the wonders of the world

From 1st April 2024, the Essex and East Anglia Diabetic Eye Screening Programmes are changing. Patients living in Suffolk and North East Essex will now come under the new Suffolk and North East Essex Diabetic Eye screening Programme. These services will continue to be provided by InHealth Intelligence Ltd on behalf of the NHS.

If you use this service, you will be invited to your next screening appointment. You do not need to do anything.
